

To enable the online writing function in Vista you will need to:

1. Install the DigiMemo Manager software version 2.2 for the DigiMemo A402
2. Plug the DigiMemo A402 into an available USB port on your computer
3. Open the folder in which the DigiMemo Manager software installed has been installed
The default location is "...\\Program Files\\ACECAD\\ACECAD DigiMemo Manager"
4. Right-click the "DigiMemoManager" icon and select the "Run as administrator" option from the context menu

The driver for the online writing tool will then be installed and activated allowing you to use it.

N.B.: You must complete this procedure once and only once for each USB port
